

Scratch Workshop 2018

Create not just use technology!

Introduction

- Introduction the Scratch way! :) - <https://scratch.mit.edu/projects/215984658/>

So let's begin with..

- Complete your game!
- Enjoy playing friends games!
- Learn how to take this learning further

Reflect on Day 4

- Any Questions so far ?
- Are you ready with your game idea?

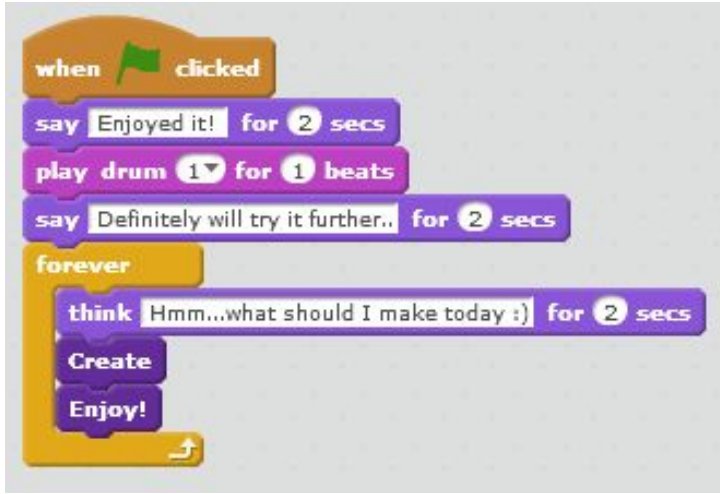

Let's begin!

Taking it further

Online resources :

- Explore other projects created on Scratch website - <https://scratch.mit.edu/explore/projects/all>
- Remix and See inside!
- ScratchEd - <http://scratch.mit.edu/resources/creating-scratch>
- Possibilities with Scratch :
 - <https://www.youtube.com/watch?v=q2RgQMc96k>
- For Scratch related questions
 - <https://scratch.mit.edu/discuss/>
- My dear friend “Google” :)

Enjoy and keep creating!

Happy to help and look at your creations anytime :)
